Kannegiesser[®] ETECH **Kannegiesser ETECH**, Grand Prairie, TX, is currently hiring for Regional Customer Service Specialists. They are looking for candidates for the Midwest, but would consider candidates for West, Northwest, Southeast and Midwest, according to a news release. They are looking for professional candidates to provide high level service and support for their customers throughout North America. Apply online at Indeed.

Laundry Chemical Sales, Technical Field Installation and Service Positions – Gurtler Industries, Inc.

Due to rapid growth GURTLER INDUSTRIES, INC. is increasing our sales and service force to support our expanding customer base. We are looking for motivated applicants for Technical Laundry Chemical Sales, Installation and Service positions in various areas of the US: Northeast, Southeast, Central, and Southwest. Gurtler specializes in the manufacture of advanced chemical products and injection systems for the commercial laundry industry. We provide laundry specialty chemical service and expertise for the healthcare, industrial and linen supply markets.

Responsibilities include providing our customers with the highest level of technical support, establishing chemical usage and wash formula recommendations, installing chemical delivery systems with the Gurtler team, and promoting/selling and servicing our full line of solutions for our customers and prospects. Interested candidates should have basic technical aptitude with electrical and mechanical skills, computer skills with working knowledge with MS Office, experience in selling and interactions with customers a plus. Gurtler provides extensive training in the key aspects of serving our customers' needs.

For more information go to www.gurtler.com/commercial-laundry-supply-employment. To submit a resume or inquire further contact CareerOpportunities@gurtler.com.
